

第2次野洲市総合計画 基本構想の一部改訂（案）について

第2次野洲市総合計画の後期基本計画策定にあたって、基本構想のうち「土地利用構想図」の見直しを行いました。該当箇所および現行との比較は以下のとおりです。

該当箇所	現行	改訂（案）
【22ページ】 基本構想 I 将来構想 2. 土地利用 ③ 土地利用構想図	<p>This map shows the current land use planning for the Niose City area. It includes administrative boundaries, roads (including National Route 477, Shiga Expressway, and Kita-Osaka Expressway), and geographical features like Lake Biwa and Mount Mii. Key locations marked include the Northern Joint Office, General Gymnasium, JR Niose Station, and surrounding towns like Minamihoku, Higashiyama, and Nagahama. A legend on the left details various land use categories and symbols.</p>	<p>This map illustrates the proposed revision to the land use planning. It shows significant changes in the distribution of agricultural land, forest areas, and industrial zones compared to the current map. The revised map also includes updated road networks and administrative boundaries. A legend on the left provides a key for the symbols used.</p>
